Friday 29th September 2017

Thank you to everyone who decorated cakes today in aid of Macmillan Cancer Research and Support. The children have really enjoyed baking the cakes during the week and we are sure they have enjoyed eating them too! We will let you know next week how much we raised.

The photo proofs arrived back in school this week. If you would like to order photos then please return your order with payment by Thursday 12th October.

On Tuesday Classes 1 and 2 enjoyed a fantastic trip to Tamworth Castle. They had lots of fun dressing up as knights, laying tables and learning about life in a castle.

## Supervision before and after school & nursery

We have had problems this week with the supervision of children before and after school and nursery. These have included—

- Children playing (unsupervised) in and around the cars in the car parks
- Children climbing on the playground play equipment and ignoring staff requests to get down (mostly older children from the Junior School but also some of our pupils when they are with their parents after school)
- Damage to school property caused by older children playing unsupervised.

Please can we remind parents to supervise their children closely before and after school and nursery. Children should be within sight of their parents at all times, including older children who attend other schools. School is not responsible for children before the start or end of the school day or nursery session.

**If these issues continue, particularly with older children from the Junior School, we will have to consider keeping the gates closed until just before the start and end of the day.**

## Harvest Assemblies Thursday 5th October

9:15—Morning nursery, classes 1, 3 & 5  
1:45— Afternoon nursery, classes 2, 4 & 6

This year we are collecting donations of tins and dried food which will be made into gift parcels and distributed by Age UK in our local area. If every child brought just one item we could make a big difference in our local community.
