OTHER INFORMATION/ADVANCE NOTICES

SCHOOL HARVEST – Just a reminder that the School Harvest is on Monday 2nd October in Church. Children are invited to bring in non-perishable goods which will be passed on to the Food Bank.

BUILDING WORK – As I'm sure you are now aware the site cabins have been delivered so that the ground work for the new extension to the resources room can start. Whilst we realise that this greatly reduces the space in the playground, a large extension cannot be completed in the holidays and internal work needed to be done first. This work was done in the holidays so that the children could return to an ordered environment the first week in September. We hope you will work with us during this time and ensure that your children are kept close by you before 8.55am so that all children are kept safe and away from the building site. Many thanks.
