1. Organisation

1.2 Duties of the Directors

1.3 The Directors, in consultation with the Headteacher will:

1.4 Ensure familiarity with requirements of the appropriate legislation and codes of practice.

1.5 Create and monitor a management structure responsible for Health and Safety in the School.

1.6 Ensure there is a detailed and enforceable policy for Health and safety and that the policy is implemented by all.

1.7 Periodically assess the effectiveness of the policy and ensure any necessary changes are made.

1.8 Identify risks relating to possible accidents and injuries and make reasonable adjustments to prevent them occurring.

1.9 The Directors will endeavour to provide the following:

1.9.1 A safe place for all users of the site including staff, pupils and visitors.

1.9.2 Safe means of entry and exit for all site users.

1.9.3 Equipment, grounds and systems of work which are safe.

1.9.4 Safe arrangements for the handling, storage and transportation of any articles and substances.

1.9.5 Safe and healthy working conditions that comply with statutory requirements, code of practice and guidance.

1.9.6 Supervision, training and instruction so all staff can perform their duties in a healthy and safe manner.

1.9.7 Where necessary, safety and protective equipment and clothing, along with

any necessary guidance and instruction.

2. Duties of the Headteacher

2.2 The Headteacher has the general responsibility for the day-to-day development and implementation of safe working practices and conditions for all staff, pupils and visitors.

2.3 The Headteacher will take all reasonably practicable steps to ensure the Health and Safety policy is implemented through the heads of the appropriate departments and other members of staff.

2.4 The Headteacher will designate a Health and Safety Officer to be responsible for the day to day implementation of the Health and Safety Policy. This person will also be the designated contact with the Local Authority and the HSE where necessary. Designated person – Chris Sellers

2.5 The Headteacher will ensure that suitable and sufficient risk assessments are carried out in their area of responsibility. These should be recorded, shared with the relevant staff, and reviewed at least annually (or sooner if there is any significant change) and modified if necessary.

2.6 The Headteacher will satisfy themselves that adequate safety standards are maintained and that any identified shortcomings in safety standards, inspections, training and instruction are rectified.

3. Duties of Senior Management Team (SMT)

3.2 The SMT will be familiar with the requirements of health and safety legislation.

3.3 In addition to general duties, the SMT will be responsible for the implementation and operation of the School's Health and Safety Policy in their department and areas of responsibility as delegated by the Headteacher.

3.4 Responsibility for aspects of Health and Safety are written into the job descriptions for some of the SMT.

3.5 The SMT will take a keen interest in the School's Health and Safety

Policy and assist in ensuring all staff, pupils and visitors comply with its requirements.

3.6 The SMT will ensure that occupational health and safety issues are taken into account at the design stage of new initiatives and projects.

3.7 The SMT will ensure that accidents and incidents within their area of responsibility are reported promptly to the Health and Safety Officer, as required by the Accident Reporting Procedure, and ensure that incidents are investigated and reasonable action is taken to prevent a recurrence.

4. Duties of all members of staff

4.2 All staff will familiarise themselves with the Health and Safety Policy and aspects of their work related to health and safety.

4.3 Staff will avoid any conduct which puts themselves or others at risk.

4.4 They will be familiar with all requirements laid down by the Directors.

4.5 Staff members have a duty to ensure all staff, pupils and visitors are applying Health and Safety regulations and adhering to any rules, routines and procedures in place.

4.6 Staff will ensure all machinery and equipment is in good working order and safety to use, including adequate guards. They will also not allow improper use of such equipment.

4.7 Staff will use the correct equipment and tools for the job and any protective clothing supplied.

4.8 All staff members will ensure any toxic, hazardous or flammable substances are used correctly and stored and labelled as appropriate.

4.9 All staff will report any defects in equipment or facilities to the designated Health and Safety Officer.

4.10 All staff will also take an interest in health and safety matters and suggest any changes they feel are appropriate.

4.11 Staff will make suggestions as to how the School can reduce the risk of injuries, illness and accidents.

4.12 They will exercise good standards of housekeeping and cleanliness.

5. Obligations of Contractors / Contractor on site

5.2 When the School is used for purposes not under the direction of the Headteacher, then, subject to the agreement of the School, the principal person in charge of the activities will take responsibility for safe practice in the areas under their control.

5.3 Contractors working on the School premises are required to identify and control risks arising from their activities.

5.4 Contractors will inform the Headteacher of all potential risks to staff, pupils and visitors.

5.5 On-site Communication

Contract work involving occupied premises carries a dual responsibility. Officers organising such work should ensure there is effective liaison between the contractor and the custodians of any workplaces affected.

All parties involved should understand their responsibilities in relation to health and safety.

5.6 Building Custodian Responsibilities

Building custodians must inform contractors of any known health and safety risks that they might encounter during the course of the work, along with any arrangements in force to reduce the risks, e.g. fire procedures for the building.

5.7 All contractors employed must be competent to carry out the works safely and without risk.

6. Pupils

6.2 Pupils will exercise personal responsibility for the health and safety of themselves and others.

6.3 Pupils will dress consistent with safety and hygiene standards.

6.4 Pupils will respond to the instruction of staff given in an emergency.

6.5 Pupils will observe the health and safety rules of the School.

6.6 Pupils will not misuse, neglect or interfere with items supplied for their, and

other pupils', health and safety.
