School News

Thank you to those parents who came to our reading workshop. Hopefully you have lots of tips and ideas for when you are reading with your children at home.

We will be running plenty more workshops over the year so please look out for details and come and ask lots of questions, gather tips and resources and get involved with your children's learning.

Remember if you have a question about homework or some aspect of your children's learning, have a chat with your child's class teacher at the end of the day or make an appointment to meet with them.

Please remember to look on the class pages of the school website www.dorringtonschool.co.uk.

WE NEED YOUR HELP!

From Monday we would like you to wait on the playground when you come to collect the children at the end of the day. The teachers will bring the classes out to you.

This will ease the congestion at the back of the school.

HEALTHY EATING

If your child brings a packed lunch to school please ensure it contains healthy items. Please do not send sweets or sugary drinks.

Also, please ensure your child's breaktime snack is a healthy one too.

SPORTS KIT REMINDER

Please ensure your child has a red t-shirt, black shorts, white socks and a pair of trainers for all sporting activities.
