

# Dalton Digest

September 29th 2017

Well into the Autumn Term and staff and pupils have all settled down in their new classes. We are busy organising our school calendar with details of what is happening being added to our website on a regular basis [www.daltonschool.co.uk](http://www.daltonschool.co.uk).

### Assembly Theme

**FLEXIBILITY** - keep the door to your mind open, there is always room for Learning

Friday 29th September 2017

A big thank you all of you who donated cakes and buns and/or attended Friday's Macmillan Coffee

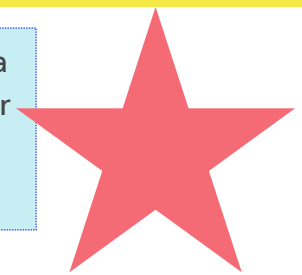

Morning. We raised **£432** for the charity.

### At the end of the school day

It has been brought to our attention that some pupils have been disrespectful to other pupils, adults and people's property whilst making their way home from school. Although no longer the responsibility of school they should be reminded that as they make their way home they are still representatives of Dalton school, especially when in uniform. Bad behaviour is not tolerated whilst in school day so there is no reason it should be any different once they leave at the end of the day.

In the summer term there is to be a school trip to a surprise location for the class with the best attendance over the year

Both our new football teams have played their first matches. Year 6 boys and Year 5 boys came away having lost one game and won one each. A great start to the season, Derwayne is now coaching the children one lunchtime a week and a new football kit has been ordered. Well done boys!!!

### ALL ABOUT ME

We have a new course starting in school for parents on the 6th November. This will run for 6 weeks - 1.15 to 3.15 facilitated by S & H Training. It will cover home safety, first aid, behaviour and food safety. Please see Angela Beaumont for details.

All our Nursery and Reception children have settled into their new classes. The Huddersfield Examiner has taken a photograph to use in their annual feature - please watch out for this!!

Most of our children are coming to school in the correct uniform, including black shoes. Well done everyone - keep it up

SCHOOL TRIPS - As you are all aware from the media school budgets are becoming tighter and tighter - some schools having already had to cut staff (thankfully this hasn't happened at Dalton yet)! Although we try subsidise our school trips where possible this is becoming increasingly more difficult. Can we ask that when we ask for contributions for trips you support the school - these visits are important to your children's education. We have always tried to keep costs to a minimum and will continue to do this. Thank you.

Dawn Simpson, whose 4 children all attended Dalton School, visited Honeysuckle to meet with some of our Year 6 children. They have donated the £850, made during their enterprise week in the summer term, to a fundraising campaign to pay for a new prosthetic leg. Dawn had to have her leg removed following a 40 year battle with cancer. The target is to raise £15,000 and currently stands at £12,000.

Dawn Simpson (centre) thanks the children of Dalton School, for raising money towards her new prosthetic leg
