2nd October 2017

Dear Parents and Carers,

Police Community Support Officers are monitoring parking around the school area at drop off and pick up times. This is following several calls made to them about the number of cars that are being parked illegally and dangerously.

Parking will continue to be monitored by the enforcement team who will issue parking fines. Therefore I appeal to you to ensure that your car is parked legally. The safety of our children is paramount and the officers expressed concern that there is a high risk of a serious accident due to illegal parking.

You will be aware that it is a frequent request and reminder from the school to park safely and considerately. The lane at the side of the school is unsuitable for the majority of parents and carers to use as there is no vacant space at the time of day you are dropping off or picking up.

We all share the responsibility to ensure the safety of our children, our local residents and each other. Please ensure that this message is shared with the people who may bring your children to school on your behalf.

Yours sincerely,

Mrs S Sinclair
Headteacher
