

## Sports Premium Budget 2017/2018

Our overall amount of funding for 2017-2018 is £8574

Budget Item	Objective	Cost	How will these improvements be sustainable? IMPACT
School Sports Partnership Service Level Agreement	<ul style="list-style-type: none"> <li>• Good Quality Professional development opportunities for staff</li> <li>• Access to Sports tournaments and competitions for children across the school to attend</li> <li>• Specialist coaching across the school</li> </ul> Network of support for our PE Leader	£1800	Good quality physical education pedagogy and teacher training will ensure PE is taught to a high standard. This training (and consequent planning) will disseminate and be used for future years.
Trim trail for outdoor area	<ul style="list-style-type: none"> <li>• More opportunities for physical development for EYFS children</li> <li>• Children at playtime and lunchtime have access to 'gross motor' physical play which was not offered before this.</li> <li>• Children to exercise at lunchtime and playtime and take calculated risks.</li> </ul>	£6200	A physical playtime and lunchtime will support healthy lifestyles and ensure children have a good attitude to physical activity and fitness. This can be used throughout school from the nursery to Year 2. This will continue to be used for years to come.
Playtime/lunchtime equipment	<ul style="list-style-type: none"> <li>• Opportunities for physical play and development are increased.</li> <li>• Children will learn how to manipulate a number of resources which work on hand/eye co-ordination and balance (ie skilling ropes/scooters etc)</li> </ul>	£574	<i>A physical playtime and lunchtime will support healthy lifestyles and ensure children have a good attitude to physical activity and fitness. This can be used throughout school from the nursery to Year 2. This will continue to be used for years to come.</i>
