

Key Stage 1 Football

3/10/17

Over seventy Key Stage one children attended a football festival held at Newsome High School. The event, organised and run by SPIN, was brilliant. All of the children took part in three different activities, where they learnt new skills, took penalties and also took part in a game. Although it was a cold night, the children really enjoyed themselves and gained great experience. A big thank you has to go to the staff of SPIN and also the young leaders of Newsome High School for running the event.
