Children Looked After Policy

**Approved by the Governing Body of
Our Lady of Mount Carmel Catholic Primary School**

Chair of Governors: Mrs Katie Owen

Date: 26th June 2017

Proposed Date of Future Review June 2018

The following stakeholders were consulted in the process of drawing up this policy:

- Governors
- Staff
- Parents

Purpose

To promote the educational achievement and welfare of Children Looked After.

Rationale

Children Looked After – CLA are one of the most vulnerable groups in society. The majority of Children Looked After have suffered abuse or neglect and it is nationally recognised that there is considerable educational underachievement when compared to their peers, which can result in poor exam success rates in comparison with the general population with fewer Children Looked After progressing to Higher Education and following progression pathways that will lead to future economic success and well-being.

Under the Children Act 1989, a child is looked after by a local authority if he or she is in their care or provided with accommodation for more than 24 hours by the authority. They fall into four main groups:

- Children who are accommodated under a voluntary agreement with their parents (section 20)
- Children who are the subjects of a care order (section 31) or interim care order (section 38)
- Children who are the subjects of emergency orders for their protection (sections 44 and 46)
- Children who are compulsorily accommodated – this includes children remanded to the local authority or subject to a criminal justice supervision order with a residence requirement (section 21).

The term **‘in care’** refers only to children who are subject to a care order by the courts under section 31 of the Children Act 1989 – they may live with foster carers, in a Children’s Home, in a residential school, with relatives or with parents under supervision.

Children who are cared for on a voluntary basis are **‘accommodated’** by the local authority under section 20 of the Children Act – they may live in foster care, in a Children’s home or in a residential school.

The term Children Looked After (LAC) is disliked by many Children Looked After for its acronym and this is why many professionals prefer Children Looked After (CLA), the term used in Somerset. Children Looked After is the term adopted by the DfE in its statutory guidance.

‘Children looked after’ has a specific legal meaning based on the Children Act. A child is looked after by a local authority if they have been provided with accommodation for a continuous period of more than 24 hours, in the circumstances set out in sections 20 and 21 of the Children Act 1989, or is placed in the care of a local authority by virtue of an order made under part IV of the Act.

Admissions

The Governing Body endorses the Somerset County Council Policy for the admission of Children Looked After.

Due to care placement changes, Children Looked After may enter school mid-term. This school believes that it is vital that we give each Looked After Child a positive welcome and full support for their induction and to help them settle and be part of our learning community.

Inclusion

This policy recognises that all pupils are entitled to a balanced, broadly based curriculum. Our Children Looked After Policy reinforces the need for teaching that is fully inclusive. The Governing Body will ensure the school makes appropriate provision for all Children Looked After.

Allocation of Resources

The Governing Body will ensure that the school allocates resources to support appropriate provision for CLA or CiC, meeting the objectives set out in this policy.

We will work in partnership with Somerset Virtual School for Children Looked After and other Virtual Schools for students who are from other Local Authorities, to ensure that Children Looked After receive the full range of support to which they are entitled to enable them to make progress and achieve.

Monitoring the progress of Children Looked After

The social worker for the Children Looked After initiates a Personal Education Plan – PEP – within 20 days of the pupil joining the school, or of entering care, and ensure that the child or young person is actively involved.

This school assess the attainment of each Child Looked After on entry to ensure continuity of learning.

Following the initial PEP, the role of the Designated Teacher is to liaise with other agencies involved to arrange further PEP Review meetings and to provide copies of the PEP to the social worker, specialist teacher from Somerset Virtual School, or other Virtual School where the child is from another Local Authority, and other agencies.

Record Keeping

The Designated Teacher knows all the Children Looked After in school and has access to their relevant contact details including parents, carers, Somerset Virtual School specialist staff, or other Virtual School specialists for those looked after students who are from other Local Authorities, teacher/support worker and social worker.

The status of Children Looked After and previously looked after is identified within the school's information systems so that information is readily available as required.

Staff Development

We encourage staff to attend courses that help them to acquire the skills needed to support CLA. Part of the Designated Teacher's role is to raise awareness of issues associated with CLA within the school and disseminate information.

Partnership with Parents/Carers and Care Workers

We believe in developing a strong partnership with parents/carers and care workers to enable CLA to achieve their potential to aid their future economic well-being. Review meetings are an opportunity to further this collaboration and partnership working.

Links with External Agencies/Organisations

We recognise the important contribution that external support services make in supporting CLA. Colleagues from the following support services may be involved with individual CLA:

- Social care worker/ Community care worker/ Residential child care worker
- Somerset Virtual School for Children Looked After (*Children Looked After in Education Team*)

Personal Education Plan (PEP)

Every CLA needs a PEP which ensures access to services and support, contributes to stability, minimises disruption and broken schooling, signals particular and special needs, establishes clear goals and acts as record of progress and achievement.

The PEP should be an integral part of the CLA's Care Plan, which is drawn up by Social Services, in close collaboration with the child, his or her family, the social worker and teacher and primary carers. It should be agreed as soon as possible and at least within 20 school days of entering care or of joining a new school. The PEP will normally be reviewed concurrently with the Care Plan, i.e. within 28 days, 3 months, 6 months etc.

The CLA and SEN

The needs of the CLA should be known to the SENCo, the designated teacher, their carer and their social worker.

- The PEP should detail their needs and the support already provided.
- It is important to ensure that any special educational needs are identified and assessed.
- We must not assume that all CLA have special educational needs.
