### ★ ★ OUR AIMS ★ ★

“Friends” of Grange Primary School are a friendly, active group of parents, carers, grandparents, governors, school teaching and support staff who will help to raise funds to ensure that our children get the most from their time at Grange Primary; whether this is through experiences and opportunities or having access to new equipment and facilities. None of us are experts in fundraising but we all play our part in working together as a team. We hope to build and promote strong relationships among school and the community at large.
