It was fantastic to have such large audiences yesterday for our Harvest assemblies. We hope you enjoyed the performances from the different classes and nursery. Thank you to everyone who came. We also want to say an enormous thank you to everyone who has donated tinned and packet food for AgeUK. We have been amazed at your generosity. If you have not donated and would like to we are still taking donations during next week ready for everything to be delivered to AgeUK on 16th October.

Photo orders must be received by 9am Thursday 12th October

Thank you to everyone who supported our 'decorate a cake' event last Friday. We raised £160.14 for Macmillan Cancer Support

Supervision before and after school & nursery

Thank you to everyone who has ensured their children are supervised before and after school and nursery. We have continued to have a few problems this week with Junior School children playing unsupervised around the site while waiting to collect siblings at the end of the day. **Please can we ask that older children wait with their adults at the end of the day** School is not responsible for children before the start or end of the school day or nursery session.

If these issues continue, particularly with older children from the Junior School, we will have to consider keeping the gates closed until just before end of the day.

Wishes and Worries

You may have noticed that the wishes and worries well has moved. It is now just outside the hall along with a display about some of the wishes which were granted last year. The well is very popular and so this new location should allow more children to add wishes and worries at the same time.

Children can write or draw their wishes or worries and put them in the well. Staff are checking the well regularly. We will do our best to ease any worries and the wishes will be passed to the School Council to see if we can fulfil them and make our school even better. We are still more than happy for parents to add their wishes about school to the well!
