"Where A Love of Learning Grows"

3rd October 2017

Dear Parents

We are planning to visit Aston Hall Farm in White Ladies Aston on Thursday 19th October. This visit will support the topic Key Stage One are learning this term and enable them to explore farm life. An exciting day has been planned to include a walk and a tractor ride to learn about the countryside and to see the farm animals.

We intend to leave school at 9.00 am promptly and return to school by 12.00 pm ready for lunch at school. The children can wear warm forest school clothing and bring wellies to change into. The children should bring a warm waterproof coat as the weather may be cold and/or wet and we will be outside for the duration of the visit. The children may bring a snack for the morning and we will provide a drink for them.

As part of the Environmental Stewardship and Countryside Stewardship Schemes, the Government pays certain farmers to invite groups of the public to visit their farms, therefore the visit to the farm incurs no fee and the cost of coach travel has been subsidised by FUSS.

As always please could you fill in the permission slip below and return with the contact number that we should use on the day in case of an emergency. Please return the slip to school by Wednesday 11th October 2017.

Yours sincerely

Miss Jones and Mrs Dawson
Year 2 and R/1 Teacher
