

Reception Newsletter

Friday 8th September 2017

Our first week

We have had a fantastic week settling the children into school. We have loved getting to know them and can't wait to see everyone next week when we start full-time!

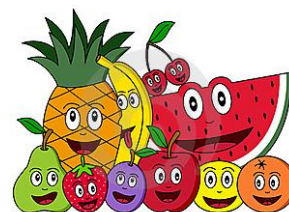

Morning drop-off is in the playground at 8:45am and home time pick up is in the playground at 3:15pm.

Lunch

You can view and order school dinners online using the link in your welcome email from Dolce.

Snack

Next week we will begin morning and afternoon snack. We ask for a £1 weekly contribution which you can send in using the green envelopes.

Home Learning Activity

'Super Me - My Journey' is an activity that you and your child can fill in together. It will allow us to gain further insight into your child's interests and lead our 'Super Me' topic this half term. Please return it on Monday.

Have a lovely weekend!
