

The government has provided additional funding to schools to improve provision of physical education and sport in primary schools. The funding allocated to schools for the academic year 2017/18 has been ring-fenced and therefore can only be spent on the provision of PE and sport in school. At Hawksworth CE Primary School, we strive to promote healthy and active lifestyles and aim to provide sporting opportunities for all our pupils. Amount Received: the 2017-2018 Sport Premium funding for Hawksworth CE Primary School was a block sum of £8000 plus £5 per pupil on roll, resulting in a total of **£8520**

Ofsted to consider the impact of the funding on pupils' lifestyles and physical wellbeing by taking account of the following factors:

1. The increase in participation rates in such activities as games, dance, gymnastics, swimming and athletics.
2. The increase and success in competitive school sports.
3. How much more inclusive the physical education curriculum has become.
4. The growth in the range of traditional and alternative sporting activities.
5. The improvement in partnership work on physical education with other schools and other local partners.
6. Links with other subjects that contribute to pupils' overall achievement and their greater social, spiritual, moral and cultural skills.
7. The greater awareness amongst pupils about the dangers of obesity, smoking and other such activities that undermine pupils' health.

Action	Plans	Outcomes
Velocity Sports to provide weekly CPD for all teaching staff (Every Wednesday)	To teach lessons under the guidance of a specialist sports coach to improve the quality of teaching and learning (Every Wednesday during term time)	Increase participation rates (1) Increase success in competitive school sports (2) Growth in a range of traditional and alternative sporting activities (4)
