

Equality Policy 2017-2020

Why we have developed this Equality Policy

This Equality Policy for Westfield Community Primary School brings together all previous policies, schemes and action plans around equality including those that we had previously for race, gender and disability. It includes all the protected characteristics covered under the Equality Act 2010 as well as other aspects which have the potential to discriminate against any individuals within our community. We are further committed to the development of cohesive communities both within our school's physical boundaries and within our local, national and global environments. Our school embraces the aim of working together with others to improve children's educational and wellbeing outcomes, and as a Rights respecting School promotes the rights set out in the UN Convention on the Rights of the Child.

Our Equality Policy is inclusive of our whole school community – students, staff, parents/carers, governors, visitors and partner agencies - who we have engaged with and who have been actively involved in and contributed to its development.

The purpose of this policy is to set out how our policies and practices have due regard to the need to:

- eliminate discrimination, harassment and victimisation;
- advance equality of opportunity
- foster good relations between groups.

It explains how we listen to and involve students, staff, governors, parents/carers and the community in achieving better outcomes for our children and young people.

Overall aims of our Equality Policy

- To eliminate discrimination, harassment and victimisation.
- To promote equality of access and opportunity within our school and within our wider community.
- To promote positive attitudes to difference and good relationships between people with different backgrounds, genders, cultures, faiths, abilities and ethnic origins.

To ensure that equality and inclusive practice are embedded across all aspects of school life the Equality Policy refers to the UN Convention on the Rights of the Child, which includes recognition of a range of educational, wellbeing, and material outcomes¹.

Our approach

We seek to embed equality of access, opportunity and outcome for all members of our school community, within all aspects of school life.

We actively seek out opportunities to embrace the following key concepts:

- Shared Humanity. Identifying commonality and shared values, aspirations and needs underpins our approach to equality. We value our fundamental similarities and universality
- Valuing difference and diversity. We appreciate the richness within our differences and look for ways of celebrating and understanding them better
- Interdependence, interaction and influence. We recognise that, as they evolve, distinct cultures, beliefs and lifestyles will impact on and inform each other
- Social cohesion within our school and within our local community
- Excellence. We aim to inspire and recognise high personal and collective achievement throughout our community, the UK and the wider world. Excellence is to be found everywhere
- Personal and cultural identity. We will provide opportunities to explore and value the complexity of our personal and cultural identities
- Fairness and social justice. We will develop our understanding of the inequality that exists in society and explore ways of individually and collectively promoting a more equitable society

Our vision statement about Equality

Westfield Community Primary School seeks to foster warm, welcoming and respectful environments, which allow us to challenge discrimination and inequality, resolve conflicts peacefully and work and learn free from harassment and violence.

We recognise that there are similarities and differences between individuals and groups but we will strive to ensure that our differences do not become barriers to participation, access and learning. We are committed to creating inclusive processes and practices, where the varying needs of individuals and groups are identified and met. We therefore cannot achieve equality for all by treating everyone the same.

We will build on our similarities and seek enrichment from our differences and so promote understanding and learning between and towards others to create cohesive communities.

Our duties

We recognise and accept our equality duties as set out in the Equality Act 2010 and have sought to involve the whole school community in the process in order to ensure better outcomes for all.²

They are also guided by the United Nations Convention on the Rights of the Child³.

We will ensure we identify opportunities for promoting our vision, the key concepts and our duties on equality legislation across all aspects of school life, including the provision of extended services.

These opportunities are likely to include all or some of the following, dependent on our current priorities.

Commissioned services (buying in services)

Increasingly we are directly responsible for the purchase of goods and services. We work closely with the local authority on procurement – buying in services - to ensure that equality issues are given full regard. When buying goods and services from external suppliers, we ask the following questions to help ensure that equality issues and duties are taken into account:

- Could the proposed procurement affect the duty to eliminate discrimination and harassment and to promote equality of opportunity amongst the school community?
- If so, is there a need to include some equality requirement within the contract and what would this be?

We ensure that contract conditions require contractors to comply with the relevant legislation and with our equality policy and we require similar compliance by any sub-contractors.

Our Staff

We comply fully with legislation which protects our staff (including teachers, teaching assistants, supervisors and student teachers) from discrimination based on the protected characteristics. With regard to disability, we make such reasonable adjustments as are necessary to prevent a disabled person being at a substantial disadvantage in comparison with people who are not disabled.

This includes discrimination in relation to recruitment, terms and conditions, promotions, transfers, dismissals, training and employment practices (such as dress codes) and disciplinary procedures. We make efforts to ensure that the diversity of our workforce reflects that of our local community and wider society. In accordance with the Equality Act we do not enquire about the health of an applicant until a job offer has been made⁴ or require job applicants to complete a generic 'all encompassing' health questionnaire as part of the application procedure.

We will ensure the safety and well-being of our staff and take seriously and act on incidents of harassment and discrimination recognising that our staff may be either victims or perpetrators.

There are some specific exceptions to the religion or belief provisions of the Equality Act for employment by schools designated as having a religious character.

See Department of Education website for further guidance on this:

<http://www.education.gov.uk/aboutdfe/policiesandprocedures/equalityanddiversity/a0064570/the-equality-act-2010>

We interpret our duties positively; take the necessary actions to remove barriers to inclusion and work hard to ensure a safe, positive and inclusive environment.

We have disabled access- disabled parking bay, disabled toilet and signing in table. We are fully aware of the dietary requirements of ethnic groups and make equality provision for all of our pupils.

Our staff team have undertaken training to help them understand their equality duties/and or the differing needs of protected groups within our school community.

We have mechanisms in place to identify areas for development.

Responding to hate or prejudice-based incidents and bullying

We recognise that hate incidents or prejudice –based bullying behaviour is driven by negative assumptions, stereotypes or misinformation. These are then directed against an individual or group, based on difference (real or perceived), and linked to, for example, racism, homophobia, negative views of disabled people or sexism. We take action to prevent, challenge and eliminate any such behaviour.

Through our school ethos and curriculum, we want our students to understand better the diversity that exists in society. We provide opportunities for them to explore the subtleties and complexities in order to prevent and respond to incidents and situations. We address the experience, understanding and needs of the victim, the perpetrator and the wider school community through our actions and responses.

We record all hate incidents and prejudice based bullying. We use this information to identify trends and patterns, so that we have approaches in place to provide appropriate responses in terms of support for victims and their families, sanctions and support for perpetrators and their families and education for our children, young people and communities.

Implementation, monitoring and reviewing

This policy was published on xxxxx 2017. It will be actively promoted and disseminated, through our newsletter and website.

Implementation, monitoring and review are the responsibility of our Senior Leadership Team and our governors who have agreed and published this policy which sets out our priorities and supports these with specific and measurable objectives.

We will report annually on the policy and analyse whether our policy and related objectives have furthered the aims of the general equality duty and in particular educational outcomes for all within our school community with reference to the protected groups.

Equality Objectives

We have set ourselves specific and measurable objectives that will help us achieve the aims of the general equality duty. These will be reviewed every 4 years.

⁴ Unless the questions are specifically related to an intrinsic function of the work - for example ensuring that applicants for a PE teaching post have the physical capability to carry out the duties.

Appendix A Key legislation

Equality Act 2010

Harmonises and streamlines existing equality legislation into one Single Act.

The Act protects pupils from discrimination and harassment based on 'protected characteristics':

- Disability.
- Gender reassignment.
- Pregnancy and maternity.
- Race.
- Religion or belief.
- Sex.
- Sexual orientation.

This relates to:

- prospective pupils
- pupils at the school
- in some limited circumstances, former pupils

The Act also contains positive action provisions which enable schools to take proportionate action to address disadvantage faced by particular pupils. Such action could include targeted provision, resources or putting in place additional or bespoke provision to benefit a particular disadvantaged pupil group.

The Public Sector Equality Duty commenced in April 2011.

There are exceptions to enable single-sex schools to admit only pupils of one sex and for schools with a religious character to enable them to have admissions criteria which give preference to members of their own religion.

Accessibility planning

Accessibility planning is a statutory duty and can be incorporated into this policy. Schools must plan for:

- Increasing access for disabled children and young people to the school curriculum
- Improving access to the physical environment of schools, and
- Improving the delivery of written information to disabled children and young people

The first plans were required to be in place by April 2003. Therefore as schools come to review their accessibility plans they should consider building these actions into their Equality policy.

Community Cohesion – Education and Inspection Act 2006 General duty

- To promote community cohesion
