We are delighted that 200 parents took the time to complete this survey, which represents **34%** of the total number of families we have at school. Some boxes were left un-marked, hence percentages do not always add up to 100%. The outcomes are very positive. We particularly valued these comments as we put your children at the heart of everything we do: ***'Thank you very much for giving the most precious gift of education to my child'*** and ***'I truly appreciate that our children are still seen as children and nurtured and cared for in a warm learning environment'***.

We also received many responses to the Parent Workshops/Coffee Mornings/Tea Afternoons and you can be sure to see many of these sessions taking place this year.
