### Friendship lunch

We all enjoyed our friendship lunch on Thursday 5<sup>th</sup> October. We sat in our house colour teams and all year groups ate together,

alongside the staff from their team. We talked about looking after our friends, whether that is by helping with their friendship bracelet or staying to keep them company if you've

finished your lunch and they haven't. (Lily and Ashton in blue team were very good friends to Mrs Pallot, keeping her company whilst she ate her chocolate pudding!)

Thank you to our fantastic kitchen team for providing a super meal as always, and serving up so efficiently.

## Thankfulness

"Piglet realised that although he had a very small heart, it could hold a rather large amount of gratitude."
