learning for tomorrow every day

8th September 2017

Dear Parent/Carer,

Meet the Teacher Weeks - Wks Beginning Monday 18th and 25th September 2017

Due to the success of the Meet the Teacher Week over previous years we are running the meetings over two weeks again this year.

This is an opportunity for you to meet your child's class teacher and find out how we teach reading, writing and maths in school. You will also be able to find out how you can help at home. You will find out about the reading books your child will bring home and when they are able to change them. The teacher will inform you about how the learning is organised within your child's class and about the work the children are going to study this half term.

The class teacher will also explain our homework expectations and how it will be organised. You will also be able to find out how best you can support your child with their homework. Please come to the main reception and sign in as all meetings will be held in the hall.
