PLEASE, PLEASE, PLEASE come and support our school book fair. We are desperate to update our libraries and provide children with some brand new and current texts. The stalls will run and depending on how much is spent, we could end up with up to **60% commission!** There will be a group of children who will then spend that commission on books from the fair and they will go straight into the libraries!!!! ☺ ☺ ☺

“When can I buy books and support the school?” I hear you calling...

The book fair will be set up during the community DIWALI event on **THURSDAY 26th**. All classes will have had a chance to browse the goods this week. The fair will be open for you to come and spend your money for **half an hour after school** on the following days; **Thursday 12th, Monday 23rd, Tuesday 24th**. **BE QUICK.... It will be popular and we want to raise lots of money to fill up our libraries.**

Happy half term message.

I would like to say a heartfelt thank you to the staff and Kestrels' community for a wonderful first half term. It was great to meet so many of you during parent's evening (apologies if I missed you) and was useful chatting with you about the changes and the high aspirations that you share with us, to make Kestrels' the 'best that it can be'. Working together will be hugely beneficial for the future of the school.

Have a happy, safe and restful half term holiday. I look forward to seeing you all again at our community party. If you are celebrating Diwali, have a wonderful time with your families.
