### Harvest

It was good to see so many parents and grandparents at our Harvest celebrations, we hope you could hear at the back of the church as the children had worked hard to prepare their music, songs and poems beforehand. Thank you to everyone who sent in food which was so beautifully displayed with the help of Year 6. These items were collected by representatives from Stroud Food Bank later in the day and will be distributed to those in need in our local community.

### Festomane

On Thursday of last week Year 6 enjoyed an all-day engineering workshop run by STEMworks. They explored the power and functionality of different pneumatic systems, before applying this knowledge to design and build products of their own using K'nex, syringes and plastic piping.

### Team Captains

Following the election for Year 6 Team Captains on Monday of last week the results were announced during Friday's assembly. The choices were as follows:

Blue Team: Sebastian Hillman and Nicole Kelly

Green Team: Thomas Lane and Sienna Rosewell

Red Team: Harrison Wittke and Roxanne Woods

Yellow Team: Owen Kirby and Esitaziya Mutalindwa.

We look forward to the events organised by this group of pupils during the next few months.

### Book Fair

Thank you everyone who supported our book fair last week we took £331 which gave us a total of £92 to spend on books for school. We hope you are enjoying your new books at home.

### Book Club

As next week is the last week of this term, Book Club members will be able to choose a book from the Book Club book shop on Wednesday.
