Year 6 Into University

Year 6 Eagle Class have had an amazing week with the Into University team! Linking our work to our topic of World War II, we upcycled old scrap material into Anderson Shelters, went back in time to Twaite Mills and we learnt about some of the most important figures of the era. To celebrate all of our hard work, we even got to graduate from the University of Leeds, looking spectacular in our gowns and mortar boards! Look out for our fantastic work and photographs of our adventures around school soon!

Year 1 Topic

This week in Year 1 Topic, we have been learning about the features of our homes.

We talked to our class mates about the different types of buildings and homes and then created artwork of our own home using paint. We had lots of fun!
