9<sup>th</sup> October 2017

Dear Parents / Guardians

I have been approached by a parent who is very interested in setting up a Friends of the School group for Tedder.

The focus of the group would be to:

- support the school with fund raising events
- to share expertise and skills, for example coming in to school themselves or arranging for local contacts to visit and provide increased opportunities for the children.
- To increase the community feel of our school

We will be holding a meeting for all those interested on Thursday 2<sup>nd</sup> November 2017 at 9.15am in the school hall and would be delighted to see as many of you as possible. If you are unable to attend, but would like to be involved, please email me and I will ensure that your details are passed on.
