

Predator!

Let's Engage!

- ▶ Visit to the Yorkshire Wildlife Park!

We will use these books and film clips to help us learn...

- ▶ 'Fantastic Mr. Fox' by Roald Dahl
- ▶ Fantastic Mr Fox (film clips)

In English we will learn...

- ▶ about documentaries by watching them.
- ▶ to take part in a debate.
- ▶ to write a story.

Linking Mathematics to our theme we will...

- ▶ measure weight.
- ▶ collect data and present it.
- ▶ use money.

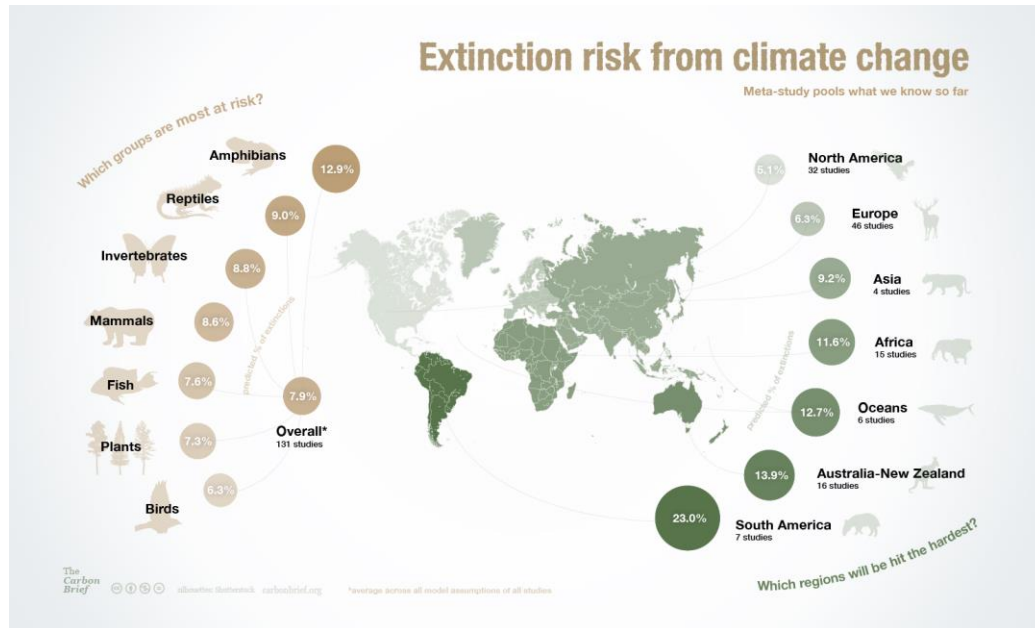

In Science we will learn ...

- ▶ what the functions of parts of a flowering plant are.
- ▶ what plants need for life and growth.
- ▶ how water is transported in plants.
- ▶ about pollination, seed formation and seed dispersal.

Let's Go Global!

- ▶ We will identify animals across the world that are extinct.

Let's Get Creative!

- ▶ We will make an animal out of clay taking into account size and proportion.
- ▶ We will also make some predator masks to showcase our favourite predator

We need to develop our Geography skills by ...

- ▶ describing and understanding climate change and rainforests.

In Computing we will learn about...

- ▶ collecting data and showing it in charts and graphs.

Keeping us Safe!

- ▶ We will learn to stay safe when using the internet.

Time to Celebrate - Express!

- ▶ We will watch Zootropolis in our predator masks.
