Parents Comments

"Extremely pleased with the extra help and guidance my son has received so far to improve his confidence & chances for SATs. Excellent level of communication"

"The first parents evening in October is too early. I feel it would be better at the end of autumn term, end of spring term and reports provide feedback on progress in each term."

"We are very happy with our child's progress and my child is happy and looks forward to going to school, thank you all"

"There is no longer a range of after school clubs and this makes life difficult for us as a family. We often relied on the afterschool clubs until 4.30pm."

"I don't know who the governing body is or how to contact them." – *Please look on the governor page on the website.*

"I feel that our child could be pushed more to do harder work, to excel further"

"I feel that homework tasks set every fortnight would be better than half termly to get children into the habit of regular homework instead of doing it the week before it is due."

"I have no concerns every staff member is helpful, my child looks forward to going to school, thank you all."

"My child absolutely loves coming to school and that is a great reflection of the school and staff who provide such a lovely environment for the children."

"My wife and I feel lucky to have our child in this school. Whenever we have concerns, they are listened too and worries are put at ease. Our child has progressed well since attending. He comes home happy telling me about his day."

Our daughter has settled into reception very well. Her teachers are constantly finding ways to challenge her and have taken the time to get to know her meaning that she views school in a very positive light."

"My children love coming to school, even though both have very different strengths and weaknesses. I think this shows how well the school supports children's individual needs."
