

Broughton Moor Primary School

Friday News

Well it's been another busy fortnight in school and we're already into October. Throughout school it's been great to see the range of work which has been on offer around the Gorilla book we're reading - diaries, recounts, speech and acting has been on offer. The quality of work demonstrates the power reading has in improving children's understanding.

It has been great to have a chat with a few people about our vacant parent governor vacancy. The role of a governor is a hugely rewarding and comes with some work but it helps to shape the future of our school. If anyone would like an information pack please see Mrs Hall

Today marks the end of Laura Falcon's time at school as a Midday Supervisor and I know that everyone in school will miss having her working as part of our team - we are hoping to have a new midday supervisor starting after the half term.

This week our praise assembly has been for success - the following children have received certificates this week *Lyla, Lucie and Caden*.

Art club and Cricket club have been warmly welcomed by the KS2 children and it is with great delight that these clubs will continue after half term. If you have any suggestions for after school clubs please let us know and we'll try to accommodate your suggestions.

Glasgow Visit

Along with children from other small schools we took 5 children from year 5 and 6 to visit a mosque in Glasgow. This was very interesting. We then went onto the Science Museum. This was excellent and the children thoroughly enjoyed their time here. Our children as always were very well behaved and a credit to the school.

Art Club

Please note that there will be **NO** after school art club on Monday 16th October.

From **Friday 13th October** we can no longer accept old style pound coins into school. Please do not send in as part of dinner money, bonus ball etc. Thank you.

REMINDERS:

PE Kit—please bring your PE kit into school on a Monday morning and leave in school all week. PE kit consists of a white T Shirt, Black shorts and appropriate footwear.

Water Bottle—please remember to bring a water bottle to school. Please do not bring narrow necked bottles to school for hygienic reasons if using the water fountain to refill your bottle.

Reading—Please make sure your child takes home their reading book after school and they are reading every night.

Prize Bingo Monday 9th October at 6.30 pm

Any donations of bingo prizes, raffle prizes and offers of help are very welcome. Please come along to our monthly prize bingo and support the Friends Association Bingo as this would be very much appreciated too, as all monies raised is used by the Friends Association to support school in all kinds of ways especially subsidising trips, providing equipment and resources.

Sickness

If your child is absent from school due to developing a sick bug or an upset tummy then they must be kept away from school for 48 hours **AFTER** the last bout of sickness or upset tummy.
