

Broughton Moor Primary School

Wednesday News

Our school will close tomorrow for the Summer and it is with great delight that I can say it's a holiday that is well deserved by all. We, of course, will be sad to say goodbye to our Year 6 children but we know that they are well equipped for the next journey of their lives. We wish them all the very best and we look forward to hearing about all of their exploits at secondary school.

We also say goodbye to some of our staff: Miss Howard, Miss Meighan and Miss Craig will be starting jobs at new schools in September whilst Mr Gildert will be starting university. We wish them all the best for their futures and know that they have contributed to all of our children's successes this year.

On Friday we held interviews for a teaching position within school for next year and we are delighted to say we were able to appoint an experienced and talented teacher for our Reception children next year. As we are still going through the paperwork stage we will have to wait until September to confirm the appointment however all of the applicants were of a high quality and that is a reflection of the way our school is moving.

This means that in September our class structure in the mornings will be:

Reception – new teacher

Year 1/2 – Miss Landells

Year 3/4 – Mr Bromley

Year 5/6 – Mr Brotherhood

In the afternoons we will continue to work as Key Stage 1 and Key Stage 2 as we have this year as well as utilising outside professionals – Carlisle United, Jon Gibson, Maddie Mitchell and SportsTrek. Our teaching assistants (Miss Sloan, Mrs Hayhurst, Mrs McFarland, Miss Skelton and Mrs Armstrong) will be working across the school to support learning and provide support for all of our children.

Can I take this opportunity to thank all of you that took the time to complete the Ofsted ParentView prior to our inspection 2 weeks ago. Whilst I cannot reveal the outcome of the report until it is published I know that it will reflect our school in the best light. I would ask that any parents who have any issues with school please come into school to talk with either myself or the governors to resolve any issues as soon as possible. We have a lot of positives about our school and would like to build upon this especially with your support. We can feel rightly justified with the hard work and dedication of our staff, governors and children in achieving the outcomes this year. I need to thank you as well. Our parents have been supportive throughout the year especially with work at home – it is only through continued support that our children will continue to enjoy learning.

Our **Friends Association** have been fantastic this year. The events, the support and their enthusiasm has enabled our children to go on trips, have costumes, have parties and of course supported their learning. I know they have worked extremely hard this year and they should feel proud of their achievements; I know we are. If you would like to be part of the Friends Association I know they will be grateful of the help.

We are always looking at ways to ensure we can communicate with you and hopefully you've all seen our website, mobile app (search Broughton Moor PS on the app store or play store), on twitter @broomoor, on instagram @broomoorcumbria as well as via text message. If you have any suggestions about other ways to stay in touch (or share our successes) please let us know.

Over the holiday our school will be decorated, updated and prepared for the children arriving back on September 4th. In the Autumn Term we will be studying animals and we will be looking for trips, visits and experiences to enhance the topic. We look forward to welcoming you back.
