

Tomorrow's World

Year Six - Spring Term Two

BROOKE &
MARSHLAND
Federation

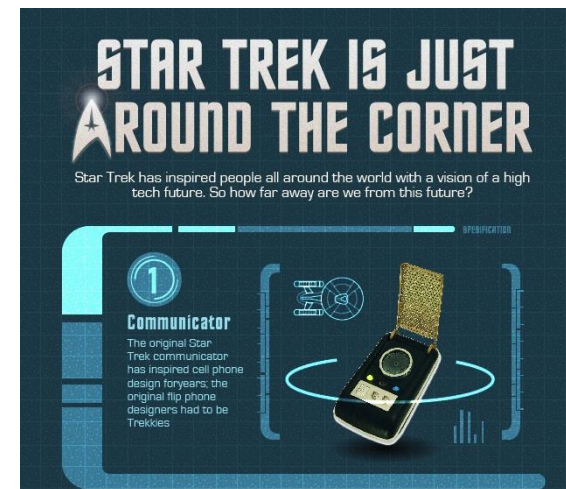

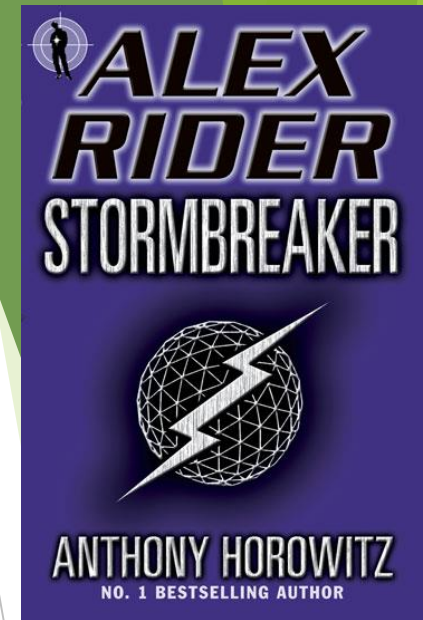

Let's Engage!

- ▶ We will watch extracts from 'The War of the Worlds'.
- ▶ We will listen to some of the 1938 'The War of the Worlds' radio drama which caused panic when broadcast in parts of the USA.

We will use these books and film clips to help us learn...

- ▶ ‘War of the Worlds’ by Orson Wells
- ▶ ‘Stormbreaker’ by Anthony Horowitz
- ▶ ‘The War of the Worlds’ (animation/ movie extracts/ radio play extracts)
- ▶ ‘Star Trek’ (TV series extracts)

In Literacy we will learn...

- ▶ to read and then research, plan and write play scripts;
- ▶ to read and then write persuasive texts to promote our 'future technology' designs;
- ▶ to use, read and write adventure stories.

Linking Mathematics to our theme we will...

- ▶ investigate how statistics and data handling can be used with the market research for our 'future technology' designs.

In Science we will learn ...

- ▶ learn about electricity and its uses;
- ▶ investigate circuits and their components;
- ▶ use circuits in our ‘future technology’ models;
- ▶ learn how to produce circuit diagrams using the correct symbols.

Let's Go Global!

- ▶ We will investigate how and where new technologies are being used to transform lives around the world.

Let's Get Creative!

- ▶ We will design a device based on the technology of the future.
- ▶ We will research, plan and build models of our devices.
- ▶ We will market our devices for a special event ...

We need to develop our History and Geography skills by ...

- ▶ investigating events beyond our memory.
- ▶ finding the world's seven continents and five oceans.
- ▶ finding out about the four countries and capital cities of the United Kingdom.
- ▶ exploring different weather patterns.
- ▶ knowing where the hot and cold areas of the world are.

In our PE lessons we will...

- ▶ use technology to log results;
- ▶ develop our skills with invasion games.

In Computing we will learn about...

- ▶ developing our coding skills;
- ▶ using a variety of media to promote our ‘future technology’ designs.

When learning about religions we will...

- ▶ Study Christian festivals and other religious observances

Keeping us Safe!

- ▶ We will learn about e-safety and agree a set of rules for keeping safe on the internet.

Time to Celebrate - Express!

- ▶ Make models of our futuristic devices, with parents.
