

September 2017

Dear Parents / Carers

Please see below the impressive range of clubs that are on offer this term. Have a look through the options with your child and if they are interested in attending any of the clubs please complete the interest slip attached. **This will not guarantee them a place in the club** – a further permission letter will be sent to you to complete if they have been successfully allocated a space. Please ensure that your child does not select two clubs that are scheduled to be run at the same time!

Please only show interest in the club if your child is willing to commit to attending the club **every week**.

Yours sincerely,

Mrs Burke
Deputy Headteacher
