Dear Mr Abeledo

I was very pleased to see the school's provisional Key Stage 2 results for this summer. Everyone is aware of the higher demands of the tests than in previous years and it was very impressive how well and quickly your staff have adapted and taught children to the standards required.

These results come about through back-breaking work.

Congratulations to you and your colleagues for doing so well.

Very best wishes for the coming year.

Yours sincerely

Dear Mr Abeledo,

Invitation to join the Mayor's Schools for Success Programme

I am writing to congratulate Rush Green Primary School for achieving great results for the students in your school. Our analysis of DfE data from 2016 has identified your school as exceptional for helping low achieving students do better.

Through my new school recognition programme, I'd now like to give you an award as one of our 2017/18 *Schools for Success*. You really have done brilliant work for these students.

My aim is to recognise primary and secondary schools in London that are helping all their students to be the best they can. I want other schools to learn from your good practice too. That's why I'd like you, through the programme, to share some of the story of your school's success with others.

On Friday 29 September 2017, we're holding a special event at City Hall to celebrate schools like yours. Please join us from 9:30 am-12 noon, to receive your school certificate, and gain recognition for your achievements. Register before the 15 July and find out more on the City Hall website at: www.london.gov.uk/schoolsforsuccess.

Your school has taken a big step forward for young Londoners. By leveling the playing field for all your students, you're helping to reduce educational inequality and improve social mobility.

Finally, I would like to extend my thanks and best wishes to the teachers, support staff and governors at Rush Green Primary School. I hope you'll agree to join our programme and help us establish a network of excellent London teaching and leadership practice.

Yours sincerely,

Sadiq Khan

Dear Mr Abeledo,

I would like to congratulate you, your staff and your pupils for the very high level of progress pupils in your school are making.

Your school's results, as published on 15 December, show that your school is amongst the top 3% of schools in England in terms of the progress your pupils make between key stage 1 and the end of key stage 2 in English reading, writing and mathematics.

We want to ensure that every child has the necessary fluency in reading, writing and mathematics to prepare them for a successful secondary education and beyond, and your school has provided this.

Thank you for your hard work and professionalism in producing such high standards and congratulations again to you and your staff for all you have achieved.

With best wishes.

Yours sincerely,

Nick Gibb MP
