Pupil Premium Statement 2017-18

The Pupil Premium grant was introduced in April 2011. In 2017-18 schools were allocated £1,320 per pupil for children from low-income families who were eligible for free school meals and £1,900 per pupil for 'looked-after' children.

The Pupil Premium grant is used to provide additional support in order to improve the progress and to raise the standard of achievement for eligible pupils.

The funding issued is to narrow and close the gap between the achievement of these pupils and their peers. Where necessary and where we have the capacity to do so the school will use additional funding to address any underlying inequalities between children eligible for Pupil Premium funding and others. This will vary depending on the individual circumstances and needs of the child.

Priorities for 2017– 2018

- Reading comprehension across the school
- Writing attainment across the school, particularly greater depth writers
- Mathematics – developing pupil reasoning skills

Additional support will continue to be offered to individual children based on the individual needs and circumstances of the child, and will be tailored accordingly following close monitoring of each Pupil premium pupil.
