

ART: Working with Pattern

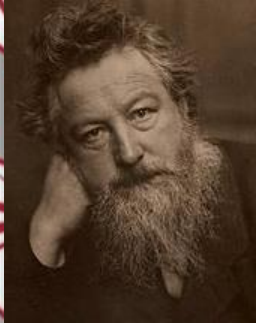

Produce creative work and explore our own ideas

Use our sketchbooks as working documents – to build on and develop new techniques

Use and understand terminology: *motif; pattern; half drop; repeat.*

Develop use of gridlines to plan and produce a uniform pattern

Use watercolours to design a colour-coordinated pattern.

Learn about the work of **William Morris** and his influence on print design and how we decorate our homes today.

Design personal motifs

Learn about patterns from other countries.

Cross Curricular links –
Science (Constellations: patterns in the sky);
Maths (Shape, space and measures).

Continue to develop use of freehand in pencil drawing
