Friday News

We have had a super first half term and I'm sure you've had a lot of information about animals come home. Can I thank you for all your support with the animal habitats we have throughout school—we will be putting them together for a display. The range of habitats created have been fantastic and it's been a source of great discussion about how each was created. Our topic after half term is the Tudors.

We have been delighted to have a celebration of attendance today. 20 children in school have been ever present since the start of term. Well done!

On the back of the newsletter you will find a list of dates so far for next term. Cricket club and Art club will continue for the junior children and we will be starting a KS2 netball club on Wednesday 8th November and a letter regarding this will come out after half term. We will be putting on clubs for the infant children after Christmas.

Have a lovely half term break and we look forward to seeing you all on Monday 30th October.
