

To Parents of children in 3H. 20.10.17

Dear Parents/Carers,

At the beginning of the school year, we spend some time getting to know each other and of course, learning names!

Our names are the first gift we are given by our parents, and we all have a strong attachment to our own name. Please could you talk with your child about the significance of their name. This could include what the name means, why they were given the name and who chose it. For example, they may have been named after a family member; or have a name related to a religious character; it may have some special meaning; it might be a famous person's name.

Whatever the story of your child's name, we would love to hear it and share it. Attached is a card for you and your child to write their name story down on. Please help them to be able to tell the story.

Please let us know if you have any questions.

Year 3 team
