

Pikes Lane Primary School

Results 2017

Last year, the government introduced much more challenging expectations/ tests at the end of Key Stage 1 and Key Stage 2 in order to raise standards even further. Virtually all of our children have EAL which means that English is not their first language. All of the tests are in English not in the child's home language. Some children come to us from overseas with no English at all. For school data purposes, we have removed these children from the achievement data in **Key Stage 1** and **Key Stage 2**. International New Arrivals have made outstanding progress from their starting points. All EAL children are included in this data

EYFS

Children achieving a good level of development

KS2

The Year 6 cohort was extremely complex and included children with virtually no English and a large group of children in the early stages of learning English as well as children with severe and complex special needs. The results below (except the progress measures which includes all children who have Key Stage 1 prior data) have excluded these children. All EAL children are in this data set below.

Reading

	Pikes Lane 2017 *	Bolton 2017	National 2017
At the expected standard	68%	67%	71%
High Score Achieved	18%	19%	25%
Average Scale Score	102.3	103.1	104.1
Progress	-1.3	-0.4	0.0
Judgement	In line with National Average		

***Exc INA's/2 children with complex SEN/Language issues**

With regards to the above Reading results, when predicting the percentages of children who were on track to achieve/exceed National Standard, the school was not anticipating that the pass mark for both National Standard and Greater Depth would be increased by 7 marks for each standard. Furthermore, the expected standardised score for each prior attainment group was also increased by an

average of +1.58. The tables below illustrates the different attainment and progress scores the school would have achieved applying these different scenarios.

Attainment

	Pikes Lane 2017 *	Bolton 2017	National 2017
At the expected standard	78%	67%	71%
High Score Achieved	35%	19%	25%
Average Scale Score	106.2	103.1	104.1
