

## Literacy: We are going to

Introduction to narrative writing  
Reading and understanding the story in context  
Ability to use the text to search for relevant answers  
Recognise the differences in headings and subheadings within a given article and use them appropriately.  
Continue to develop skill of proof reading

## Numeracy: We are going to

Introduction to fractions  
Improper fractions and mixed number fractions.  
Mental Arithmetic  
Fractions - Are you ready?  
Comparing fractions  
Number Facts: Division Facts from dividing by 2 up to and including dividing by 7

## Other Areas this week...

World Around Us: Our Continent. Identifying Europe on a world map and finding out what we already know, what we want to know and how we will go about finding things out  
P.E.: 30/40/50 and Gaelic skills.  
Art: recreating Monet's Water Lillies  
PDMU: Continue with 'Who am I?' Unit.

## Notes for Parents

- Homework: (Reading is 25mins each day and should include time with pupils discussing their comprehension of the text read), SACAWAC & Number Facts should be completed daily along with written homework, as noted below

*Monday:* Spelling sentences

*Tuesday & Wednesday:* Creative homework based on half term holidays

*Thursday:* Mental arithmetic corrections

Please ensure homework is signed daily.

Many Thanks  
Mrs McChesney
