

Dear Parents / Carers

After half term, in our Key Stage 2 classes, we are changing our timetable around. We are moving to having 3 shorter lessons in the morning rather than 2 longer ones. This will not change the length of the school day. The only change to you as parents is that the bell will be rung a little earlier at 8.50am, so that the children can be in their classes by 8.55am, ready to start formal lessons at 9.00am.

We appreciate your support in this matter.

Mrs Nicholl
