## Newsletter October 2017

### Headlines

I have thoroughly enjoyed my first half term in Holme on Spalding Moor. It's been an unusually long one with many UK schools finishing for a break last week. Whatever you are up to over half term, I hope you have a great time.

### Class Names

If you've been finding the new class names as confusing as me, you'll be pleased to know that they have reverted to the original Classes 1-9.

### Did you know?

Queen Victoria had jewellery made out of her children's milk teeth.

### 'Pick-up' Communication

If your child is being collected by someone who wouldn't normally pick them up, please can you let the school office know **before** lunch. Obviously, we understand that this isn't always possible if there is a last minute emergency.

### Questionnaire

You will be receiving a questionnaire about the possibility of us starting Breakfast and After-School Clubs. Please help us to decide if the clubs would be viable by completing your questionnaire and returning it to school.

### Violin Lessons

If your child (Y3 upwards) is interested in learning to play the violin, please contact the school office.

### Parking

Please be considerate when parking around the school area as dangerous parking can cause accidents and limit the view of the school crossing patrol.

### Farewell

Mr Buxton leaves us this week to take up a new role in Leeds. We wish him well for the future and for his 50 mile run next Monday! Details of this impressive charity event are on our website.

### Reminder to Parents....

Don't forget, you can visit our website for much more information on all that is happening in our school.

### What's Happening...
