Harbour Lights Newsletter October 2017

Dear Parents and carers,

The start of the new school year has seen The Harbour School welcome new pupils and staff.

A period of settling in is inevitable. This is why we decided to focus on community during the first part of the term. Our first community activity was taking part in the 'Macmillian Cancer Support World's Biggest Coffee Morning' which was held on held in school on 29th September. Our second activity was supporting 'Red White and Blue Day' on 6th October. More details about these national events is included in the newsletter.

Closer to home, the local community have also given back to the Harbour. You may have seen in the local press the Wilburton Beer festival donated a fantastic £1296.00 for pupil outdoor seating.

We are pleased to have welcomed two new Governors to the Harbour. Stephen Thompson and Caroline Aird, both of whom I am sure will be an asset and help the school move forward

Have a safe and healthy October break.

Ms Debra Smith
Head teacher

Macmillian World's biggest coffee morning

It was cakes galore at The Harbour School on Friday 29th September for the Macmillian charity coffee morning.

An impressive £107.72 was raised for this good cause.

Many thanks to the pupils and staff who baked the tasty treats and the families and carers who supported the cancer charity with kind donations. The coffee morning was a great success.

Red White and Blue day- Friday 6th October

Pupils made for a colourful display on Friday 6th October when they were invited to dress in Red, White and Blue in support of the Armed forces Charity. Worksheets and craft activities were available to explore the theme

of women serving within the armed forces. Thanks go to all the pupils, staff families and carers who donated £33.00

Wilburton Beer Festival Donation to The Harbour School

Headteacher Debra Smith and staff were on hand to receive a generous donation from the Wilburton Beer Festival Committee. £1,296.00 will provide much needed new outdoor seating for the pupils which will help

support social interaction in the school community.

Gauntlet Motorbike project.

On Thursday 19th October a group of upper school boys visited The Gauntlet motorbike project in Ramsey. At the volunteer run project the pupil's enjoyed riding a selection of bikes including mopeds, quads and geared bikes. This wonderful opportunity was enjoyed by all the pupil's were able to demonstrate positive behaviours and skilful riding. It is hoped the visit will be repeated in the future.

Cycle Maintenance

Cycling is a very popular activity at The Harbour School and we are pleased to have a fleet of mountain bikes. Some of the pupils are now actively involved the repair and maintenance of the bikes. The boys are learning a whole range of new practical skills including repairing a puncture and checking wheel bearings.

The lower school were recently treated to a production of

'The Hobbit'. The professional theatre company performed songs and comedy to the delight of pupils who were thoroughly entertained by the experience of seeing a live theatre performance.
