

## Governor Details and Register of Interests

### Ryhill Junior, Infant and Nursery School

From 1 September 2015, governing bodies of local authority maintained schools in England were required to publish on their website their register of interests. This register meets statutory requirements by setting out the relevant business interests of our governors and details of any other educational establishments they govern. The register includes details of any relationships between governors and members of the school staff including spouses, partners and relatives.
