

**Wave 1** is high quality personalised teaching which will therefore take into account the learning needs of all the children in the classroom. This includes providing differentiated work and creating an inclusive learning environment.

**Wave 2** is specific, additional and time limited intervention provided for some children who need higher levels of support to enable age-related progress. Wave 2 interventions are often targeted at groups with similar needs.

**Wave 3** is individually targeted provision where it is necessary to provide highly tailored intervention to accelerate progress.

Northern House School  
Solihull

## Provision Map by Area of Need and Wave of Support 2016-2017
