

Leeds Special Educational Needs & Disability Information Advice Support Service (SEND IASS)

A dedicated service for parents, carers, young people and children offering impartial, confidential information, advice and support

We offer expert confidential impartial advice on:

- Educational law on SEN and related law on disability, health and social care
- The statutory process for special educational needs
- Education legislation, policy and procedure
- Support with disagreement resolution

Dedicated helpline: 0113 378 5020

Email: sendiass@leeds.gov.uk
