After School Clubs	£2595	Working across the school with outside professionals	<p>New skills acquired by pupils.</p> <p>Increased number of children participating in sport.</p> <p>High quality specific sports skills taught to the pupils.</p> <p>Encouraging reluctant pupils with low self-esteem to take part in sporting activities they wouldn't normally participate in.</p>
Spending has exceeded the Sports Premium Funding allocated therefore the school has subsidized the remaining costs.			

## Hollybush Primary School

"Inspiring all learners to achieve"

### **PLAN FOR SPORTS PREMIUM FUNDING 2017/18**

Hollybush Primary School has received a larger level of Sports premium funding to improve the quality of sport and PE for all our children. Sport Premium is an amount of money which the government has agreed to allocate to schools to increase the quality & breadth of PE & Sport provision, and increase participation in PE & Sport.

This year we will look to further increase our participation in sport, continuing to provide an even border range of opportunities for pupils in the wider school community, with a focus on KS1 and inclusive participation.

We are also looking to raise standards, attainment and progress of all pupils within the curriculum and in 2017/18 the main focus on cross curricular opportunities to develop active learning. The promotion of healthy and active lifestyles for all our children continues to be a priority at Hollybush.

#### Planned spending:

- Explore opportunities to implement effective schemes, outside providers, and resources, to develop cross curricular opportunities. The school will look to provide high quality provision that will engage and inspire active learning within all contexts of school life.
- Inclusive opportunities for children of all abilities to engage fully in sports and PE.
- Continue staff CPD - training of staff new to age groups to use the new PE schemes to develop their skills and further raise standards of teaching and learning; continued support of Leeds West Academy teacher via the LWA offer
- Extend opportunities for developing additional PE activity via the LWA offer
- To continue to purchase Active Schools Agreement (supporting CPD and offering enhanced opportunity for pupil participation in sport)
- To continue to provide opportunities for more pupils to participate in competition and events including B teams wherever possible
- Continue with the Leeds Rhinos 'Partner Schools' Scheme to provide high quality provision with an emphasis on the teaching of skills
- Work developing Healthy lifestyles through Healthy Schools encouraging children to be more active.

We will evaluate the impact of the Sports Premium funding as part of our normal self-evaluation arrangements. We will look at how well we use our Sport Premium to improve the quality and breadth of PE and sporting provision, including increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of. We will look at pupil's progress in PE as well as other areas of development such as self-esteem, confidence and the numbers of pupils involved in sporting activities in and out of school. Assessments will be made both formally and informally using our school assessment systems as well as feedback from staff and visitors to the school. We will also evaluate the impact of professional development opportunities in improving teaching and learning in PE.
