Dear Parent / Carer,

RE: Raising e-safety awareness: The importance of knowing the dangers on the internet. Tuesday 14<sup>th</sup> November 3.45 - 4.30

As part of our on-going commitment to e-safety, you are invited to an e-safety awareness workshop held in class 3/4H, on Tuesday 14<sup>th</sup> November 3.45 - 4.30.

We recognise the difficult challenges young people can face, we aim to provide them and yourselves with as much key information as possible to empower them to become safe users of the internet and mobile devices. The main purpose of the workshop will be to learn about specific online concerns and dangers, which your son/daughter may face or be exposed to, and to find out how you can minimise the risks.

I hope at the end of the session you will feel you have a greater understanding and knowledge of the dangers your son/daughter may face and know where to go for help and advice if you have concerns. I hope to see you at 3.45pm on Tuesday.

Yours sincerely,

Paul Hobbs

Teacher
