Anti-Bullying Week

At Kestrels' Field we believe that Anti-Bullying Week shines a spotlight on bullying and encourages all children, teachers and parents to take action against bullying throughout the year.

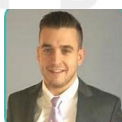

Throughout the week, we will be looking at :

- empowering children to celebrate what makes them, and others, unique
- help children understand how important it is that every child feels valued and included in school, able to be themselves, without fear of bullying .

WATCH OUT on TWITTER AND FACEBOOK for photos throughout Anti-Bullying Week! 😊
