

Welcome Back!

Welcome back to all our pupils and especially to our new children.

Welcome to our new staff

Katie Holland- new Redvales 4 teacher

Sally Mason- new Nursery 2 teacher

Nicola Jackson- new pupil premium support teacher

Susan Steele- new child and family worker(Sheree is now working in the office)

Donna Thornley- new weekend caretaker

Ryan Cosgrove- new cleaner

Hi Everyone,

I'm Sue Steele and would just like to introduce myself as Millwood's new Child and Family support worker. I have a passion for my work and have had nearly 30 years experience in positively supporting children and their families in both the Bolton and Salford areas. You name it and I've helped with it or I've found somebody who could. I have been a life long learner and my qualifications have greatly enhanced my ability to offer high level, quality support in the schools where I have worked. I am also a trained Counsellor. Living locally I have 4 children (including a set of twins) and also have a family member who has several additional needs. I have lots of interests and to relax I run, walk my collie Gracie and I visit the Lake District as often as I can.

I know family life and meeting all the family's needs can be tough and I do my best to stop molehills becoming mountains. I would really appreciate the opportunity to meet the mums/dads/carers of these fantastic children and for you to meet me. I have organized a coffee morning for Friday 15th September 9.30am - 11.00am. This will be an informal opportunity to come along for a cuppa, something yummy (of course) and a chat. It would be great to have your views, ideas and thoughts on what you feel would help school to help you and your children.

Please save the date and I look forward to seeing you there.

Sue

Best wishes
Helen Chadwick
Headteacher
