

Primary PE and Sport Premium

Evidencing the impact at Hillside Primary School 2016/17

National Vision of the Grant

A measurable and sustained improvement in school PE and sport, underpinned by high-quality teaching that increases participation levels in physical activity, and leads to healthier pupils who are more engaged across the whole curriculum. This will be our **legacy** to the London 2012 Olympic and Paralympic Games.

After School Clubs

2016 Sports day

Get Set day held at Newsome High School

Our Summer Showcase of our after school dance clubs.

Primary PE and Sport Premium plan

Academic year: 2016/2017

Total amount received: £9330

Target	Action	Expenditure	Impact on pupils
<p>1.To ensure successful outcomes for all pupils and narrow the attainment gap: improving attainment and ensuring at least expected progress, including that of vulnerable groups of pupils, including those in receipt of pupil premium funding. (Taking part in sporting activities positively impacts on pupil progress in other curricular areas.)</p>	<p>Children have the opportunity to take part in a variety of after school sporting activities, including Boccia, hockey, fencing, kick boxing, football, netball, cycling, athletics, Zumba, street dance and Bollywood. Pupil premium children are specifically targeted to attend sporting events. Data is collected and evidence of pupil's progress analysed. Provision can be altered to meet the needs of children who have not yet attended sporting events and clubs.</p>	<p>None</p>	<p>Currently (July 2017) 76% of children in school have attended after school clubs and events with many attending more than one club. 47% of these children are in receipt of pupil premium.</p> <p>Currently (July 2017) 71% of all children in school who are in receipt of pupil premium have attended after school clubs and events. Most of these children have attended more than one club.</p> <p>The percentage of pupils in Year 5 who were able to swim 25m rose from 5% to 95% by July 2017. This is a 15% increase from last year.</p>
<p>2. To ensure children positively benefit from high quality inter school competitions and professional coaching.</p>	<p>Children take part in both SPIN and non SPIN inter school competitions.</p> <p>Children and staff receive</p>	<p>£1800 approx</p>	<p>Currently (July 2017) 33% of children in school have represented school in competitions. 53% of these children are in receipt of pupil premium.</p>

	professional SSCO coaching.	£2500	
3. To ensure at least good and develop more outstanding teaching throughout school. (To develop good and outstanding P.E. teaching and learning both during and after school.)	After an audit to find out specific needs of teachers, staff have indicated the need for gymnastic and outdoor activity training. Possibly provided by SSCO for free. Discussions and planning are currently (July 2017) taking place for outdoor activity training to be taught later in the year.	None	100% of PE lessons taught in school were considered to be good with outstanding features (July 2017). Standards of after school sporting activities to be assessed September 2017.
4.To improve motivation of pupils and pupil engagement. (Pupil engagement in all areas of learning particularly P.E and sport.)	The school is using Project Sport during Breakfast club, lunchtimes and after school clubs providing high quality PE coaching in football, archery and fencing.	£4900	Currently (April 2017) up to 42% of pupils in school attend Breakfast Club and have regular access to Project Sport opportunities. 47% of those children are in receipt of pupil premium.
5.To develop pupil and family aspirations. (To enable pupils to believe, achieve and succeed.)	During curriculum PE and after school events, children are taught skills that will help them overcome difficulties and as a result will begin to believe in their abilities. Parents and carers are encouraged to attend sporting events to see their children achieve.	None	Currently (July 2017) 33% of children in school have represented school in competitions. 53% of these children are in receipt of pupil premium.
6.To ensure all children have access to P.E equipment needed to take part in curriculum P.E and after school clubs.	To perform an audit of equipment needed to continue to provide high quality P.E.	£120 was spent on equipment in September 2016.	A Project Sport member of staff said, "Hillside is the best resourced school, in terms of equipment, that I attend allowing me to provide a wide range of activities for the

children.”
