## Newsletter 13th November, 2017

Dear Parents and Carers,

*Wisdom is a gift from God which helps us to see things more clearly and make the right choices in life. It is good to have wisdom— wisdom is a real treasure, a virtue for us to nurture. We are all responsible for how we grow in wisdom and the Church exists to help us with the timeless wisdom of the Bible.*

### E SAFETY

We teach all children about being safe when using various technologies.

This week it has been brought to my attention that some children in the Juniors have their own 'You tube' channels where they post videos of themselves (often showing their names, photos, school uniform... which can be very dangerous). I have spoken to the children and ask all parents to monitor and check usage and privacy settings.

### THIS WEEK IS ANTI-BULLYING WEEK

In school we will be re-visiting our Anti-bullying slogan "See something, say something" with the children to make sure everyone understands what this means. There will also be different activities for the children to complete in classes. Please ask your children to tell you what our Anti-bullying slogan means. Thanks.
