

Broughton Moor Primary School

Friday News

It's been a very busy day in school today with the Remembrance Service in school as well as the older children being invited to the Schools' remembrance service in Maryport. Thank you to everyone who came to our service in school. Next Friday we will be going for a walk as part of the Children in Need day and I look forward to seeing as many of our school community taking part.

The children have continued with their hard work on our new topic of the Tudors and Stuarts; it's been great to see the portraits, hear the discussions and how the lives of people 500 years ago are different to our daily lives.

Could I please ask you to have a look at home to see if there are any of our school reading books. We have a number of gaps on the shelves. Our school council will be visiting Hills Books in the next month to purchase some new books and we would like to ensure we're not duplicating books we already have. School council had an excellent afternoon activity on Halloween with their activities and raised £47.50 which will be used towards the books.

Children in Need Friday 17th November 2017

We will be taking part in a walk through Flimby woods to Broughton Moor to raise money for Children in Need. The day will be a non uniform day. Children can either make a donation for not wearing uniform or get sponsorship from family and friends for the walk through the woods. Children will need to wear suitable footwear and leggings/joggers/trousers for walking in the woods. They will also need to bring a change of shoes and leggings/joggers/trousers for when they return to school.

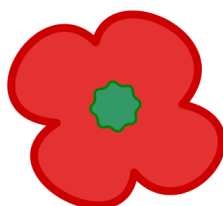

Parents are more than welcome to join us on the walk.
