

## School packed lunch inspiration

Thinking of healthy and exciting pack lunch fillings can be a daily challenge.

According to NHS choices a balanced lunchbox should contain:

- Starchy foods like bread, rice, potatoes or pasta
- Protein foods like meat, fish, eggs or beans
- A dairy item, like cheese or yogurt
- Vegetables or salad and a portion of fruit

## Harvest Assembly

On Thursday, we celebrated Harvest in our assembly. The children thought about saying thank you and what it feels like to receive thanks.

Thank you to all of you who donated food. We received lots of tins and packets that will be going to St George's Crypt in Leeds and to be distributed to the homeless.

## A few words from Mrs Robertson

Thank you, thank you, thank you for the generous donations sent in for our Harvest collection. Your many acts of kindness have come together in a fantastic collection of food, which will help St George's Crypt continue the amazing work they do in supporting the most vulnerable people in our communities. The children have also been thinking about thankfulness at Harvest time and identifying the small things in life that we can sometimes take for granted.

We have an exciting week coming up in school next week with Years 4 and 6 going out on residential to Kingswood and Lineham Farm whilst the rest of school will be involved in fantastic design and technology projects. We look forward to sharing some highlights of these activities with you in next week's newsletter.

## Year 1 Trip

On Tuesday Year 1 went to the Rainbow Factory. The Rainbow Factory is a unique attraction specialising in storytelling through imaginative play and the creative arts - including theatre, crafts, music, science, puppetry & games.

The Year 1 children thoroughly enjoyed the trip.

They took part in storytelling activities and workshops to help them develop their writing skills. The children were thinking about traditional stories – the characters and settings and changing the endings.

The children were extremely well behaved and were excellent ambassadors for the school.

Well done Year 1! Next week Year 2 will be going.
