

Environmental Review

St John's CEP School

Date carried out: 7.11.17

Carried out by: Miss Lebrutte, Mrs Pengold, Lewis Russell (6G),
Sienna Fitzpatrick (6G), Sunny Hazledine (5D), Liam
Fromow-Wilson (5D), Grace Wilson (5B), Hamish Nicholls
(5B), Ben Jones (3B), Meg Spur (3M), Shea Crossan (3M),
James Muncaster (4H), Brooke Shumana (4L), Rachel
Ely (4H).

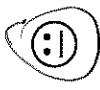

Eco-Schools topic: LITTER	
Question	Answer
1. Are there enough rubbish bins inside the school?	 ?
2. Are there enough rubbish bins outside in the playground and school grounds?	 ?
3. Do people use the rubbish bins properly?	 ?
4. Is there a school rule about litter that everybody understands?	 ?
	What could we do to improve?
	speak to Mr Kane and Mrs Downey.
	Litter patrol during break times - make sure children compost. -> stickers to chn.
	Were not sure - we need reminding. Posters in classroom.

Eco-Schools topic: WASTE		
Question	Answer	What could we do to improve?
1. Does every classroom have a scrap paper drawer so that pupils and teachers can <u>reuse</u> paper?	 ?	
2. Does every room have a <u>recycling</u> bin?	 ?	
3. Is there contamination in the paper recycling containers (things that shouldn't be there e.g., plastic, apple cores)?	 ?	ks1 need some reminding ↳ during KS1 Assembly.
4. Has most of the paper in the recycling bins been used on both sides? "You might want to do an extra investigation to find out how much of your paper has been used on both sides."	 ?	
5. Does paper that should be recycled ever get thrown in the rubbish bin?	 ?	
6. Does the school have a compost bin for recycling fruit and vegetable waste?	 ?	
7. Does the school encourage children to use re-fillable drink bottles?	 ?	

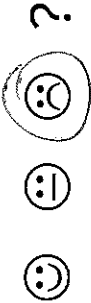

St John's CEP School
Environmental Review 2017-18

8.	Does the school encourage children to have packed lunches without throw-away packaging?	   	
9.	Does the school have other types of recycling collections? (E.g., cardboard, plastic bottle, ink cartridges)	   	
10.	Does everyone understand WHY it is important to recycle and reduce waste? <i>* If the answer is 'no' you might need to plan a rubbish assembly!</i>

Eco-Schools topic: ENERGY		Question	Answer	What could we do to improve?
1.	Are the windows and doors kept closed when it's cold?	   		
2.	When the school heating is on, does it ever get too hot inside? * You could use a thermometer to check - classrooms should be between 18 and 20 °C.	   	Sometimes!	
3.	Are the lights always turned off in empty rooms? * You might want to do a bit of 'spying' to find out more!	   		
4.	When it's sunny, do teachers and children turn the lights off inside?	   		
5.	Are computer monitors turned off when they are not being used during the day?	   		
6.	Are interactive whiteboards turned off when they are not being used?	   		
7.	Does everyone understand WHY it is important to use less energy? * If 'no', an assembly to remind everybody about climate change and saving energy might be a good idea.	   	Switch-off Afternoon and week.
